EDITION**

ABOUT US

Founded in 1994 and led by Mr. Rohit Goel, **M.R. Fabricators** is a leading Indian manufacturer and exporter of high-quality decorative ironwork and Hardware items.

With over **30 years of expertise**, we specialize in **Iron Hardware items, ornamental fencing elements, wrought iron railheads, gate heads, hinges, collars, panels, and a full range of gate and door hardware.**

Our product line also includes threaded rods, studs, scaffolding accessories, and other fastener solutions.

Backed by a dedicated team of over **100 skilled professionals**, M.R. Fabricators takes pride in its specialized in-house capabilities.

Our expert **Quality Assurance team** and **experienced Design Department — led by architects** — ensure that every product meets the highest standards of **craftsmanship, precision, and performance.**

This strong technical foundation allows us to consistently deliver **reliable, high-quality solutions to clients.**

Our state-of-the-art facility spans an **12,000sq. ft.**, reflecting our commitment to innovation, quality, and craftsmanship.

Our in-house manufacturing capabilities allow for seamless operations and quick adaptability, ensuring that we consistently deliver premium products tailored to our customers' needs. With a **production capacity of 8 to 10 40HC containers per month**, we are equipped to handle large-scale orders without compromising quality.

We are dedicated to delivering exceptional products with a focus on quality, innovation, and customer satisfaction. Our commitment to excellence ensures that every piece we craft becomes a cherished part of your space.

CERTIFICATIONS

MR Fabricators is **ISO 9001:2015** certified and committed to meeting international **export standards**. We maintain strict quality control and follow **global packaging** and documentation practices to ensure **reliable and timely deliveries.**

PRODUCTS

M.R. Fabricators is a leading manufacturer of a comprehensive range of iron hardware and ornamental metal products, including :

RAILINGS/BALUSTRADES

WROUGHT IRON RAILHEADS

MS HINGES

GATE HEADS

COLLARS

DECORATIVE LEAVES

FORGED RAILHEADS

INFRASTRUCTURE

Our **strength** lies in a dedicated team of **over 100 skilled** workers, supported by experienced corporate and administrative staff.

Our Research and Development team is actively engaged in product development and innovation.

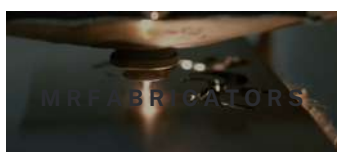

Our facility is equipped with a comprehensive range of advanced machinery, including **10 power press machines, 10+ welding machines, 3 forging machines, a roll forming line, a profile bending machine, a fully powder coating plating plant, and a high-capacity power press line.**

We also operate various other precision machines such as **lathes, shapers, milling machines, surface grinders, and drilling machines.**

We utilize a **rack storage system** in our facility to efficiently organize and safeguard goods prior to dispatch.

Our Unique Selling Propositions

- Prompt response to customer inquiries.
- Strict adherence to established quality control protocols.
- Customization to meet clients' specific requirements.
- Timely delivery within agreed deadlines.

EXPORTS

Our company prides itself on its strong global presence, with a **robust export operation** that delivers high-quality products to international markets.

We prioritize **building long-term relationships** with our clients, ensuring regular visits to their locations to understand their needs and provide personalized support.

Additionally, we host **factory visits** to showcase our state-of-the-art production facilities, offering transparency and fostering trust.

These interactions help maintain **high standards of quality and service**, and ensure that we remain aligned with our clients' evolving expectations.

MARQUEE CLIENTS

Trusted by leading builders, architects, distributors, and marquee clients worldwide who value our unwavering commitment to quality, reliability, and long-term partnerships.
